Alt-rockers Radiohead are gearing up for yet another round of tour dates, but this time for their pay-your-own-price *In Rainbows* CD. As usual, Radiohead are not actually coming clear about the details of their new upcoming tour, but have plans to tour Italy, Germany, Barcelona, and Denmark. There are also plans on deck to visit and perform in Dublin, Paris, and Manchester, and Glasgow.

The band will perform twice in each city, so keep your eyes peeled for more information as they will be embarking on their world tour in 2008.
